

Features

- British Built
- High compression baling
- Waterproof electrics
- Long life
- Energy saving systems
- Low maintenance
- Fully automatic ejection, start/stop
- Level sensors
- Customised build available

		Series 140	Series 340	Series 540	Series 1040
Dimensions	mm	2950x600x1250	2950x600x1250	2950x600x1250	3100x600x1250
Height to bale discharge	mm	60	60	60	60
Electrical	kw	2.2; 1-ph 220/240v	5.5; 3-ph 380/415v	7.5; 3-ph 380/415v	22; 3-ph 380/415v
Bale size (approx)	mm	280x280	280x280	280x280	580x280
Bale Width	mm	200-250	200-250	200-250	200-250
Bale weight (approx)	Kg	6-14	6-22	6-22	10-25
Maximum capacity (steel)		Up to 180 kg/hr	Up to 360 kg/hr	Up to 500 kg/hr	Up to 1000 kg/hr
Weight	Kg	1100	1200	1400	2100
